

CV

Thomas Kahn MD

Professor of Radiology

After studying medicine in Berlin, Dr. Kahn completed his residency and fellowship in radiology at the Universities of Munich and Dusseldorf. Since 1999 he has been chairman of the Department of Diagnostic and Interventional Radiology at University of Leipzig. He authored or co-authored more than 200 scientific publications with the focus on magnetic resonance imaging. He has been associate editor of the Journal of Magnetic Resonance Imaging (JMRI). In 2011 he served as chairman of the local organizing committee of the 28th Annual Scientific Meeting of ESMRMB in Leipzig. He has been member of the scientific program committee, the board of trustees and chair of the study group Interventional MRI of ISMRM. He is coorganizer - together with Harvard Medical School and Johns Hopkins University - of the Interventional MRI Symposia Series that takes place on a biannual basis alternatively in Leipzig or Boston respectively Baltimore.
