

# MRI Academy

## 28-29 April 2020

### Key Information

**Duration:** 2 Days

**Date:** 28-29 April 2020

Our Magnetic Resonance Imaging (MRI) Academy takes place on Tuesday, April 28<sup>th</sup> and Wednesday, April 29<sup>th</sup> in the Health Science Centre, UCD, Belfield.

### Introduction to MRI - Two Day Course (28th & 29th, April 2020)

This course is aimed at radiographers/registrars beginning their training in MRI. It may also be beneficial for MR radiographers who may require a refresher course to update their knowledge and skills. It will provide a foundation for basic MRI physical principles and clinical applications, leading to an informed selection and manipulation of pulse sequences. It will deliver theoretical clinical knowledge to aid competency in the field of MRI. The course will be delivered by UCD academic staff.

### Course Features

- Basic principles of MRI
- Image weighting
- Common pathologies in neuro imaging
- MRI contrast agents
- MRI of the abdomen and pelvis
- MR Angiography
- MRI safety and patient care strategies
- Image Viewing Sessions

### Course Costs

#### Course Fees

Introduction to MRI - Two Day Course (April 28th and April 29th, 2020) **€280**

### Booking Form

To book your place on the course, please click <https://www.ucd.ie/medicine/studywithus/cpd/explore/>
